

**Objective**

To combine my background and passion for user experience design with my front end development skills to build websites and applications that change the world.

**Skills/Software**

HTML, CSS, Sass, jQuery, JavaScript, various JS/CSS compilers, PHP, accessibility, responsive design, wireframes, moodboards, visual design, minor video editing  
WordPress, Expression Engine, Sitefinity, Drupal

**Experience****Pressable**

Remote  
April 2018 - present

**Concierge WordPress Engineer**

Contract with Automattic's Special Projects team to design and build custom sites for influential people and organizations, using WordPress.com and Pressable-hosted WordPress instances.

**Freelance**

Sept. 2014 - March 2018

**Front End Developer**

Provide front end development services for web agencies, independent small businesses and nonprofits.

**National League of Cities**

Washington, D.C.  
Sept. 2013 - Sept. 2014

**Manager, Web Development, Content and Analytics**

Manage NLC overall web presence. Design and develop new features and multimedia projects. Plan and implement a site refresh/responsive design overhaul. Coordinate, redesign, and rebuild all NLC email marketing templates.

**Matrix Group International, Inc**

Arlington, VA  
Sept. 2010 - Sept. 2013

**User Experience Lead/Senior Front End Developer** (Dec. 2011 - Sept. 2013)

Unify the designers, front end developers, and information architect, setting standards and championing the team. Review wireframes and designs from a technical viewpoint, implement designs in CMSs, including Sitefinity, Expression Engine and WordPress. Provide consultations, train clients, teach workshops and co-present webinars.

**Designer/Front End Developer** (Sept. 2010 - Dec. 2011)

Participate in client meetings, create wireframes and moodboards, design web comps, and create style guides. Bridge design and development teams. Implement designs into various CMSs, including WordPress, Expression Engine, CommonSpot, and a custom ColdFusion CMS. Lead client CMS training.
